

The ACIM Presenters

How to Embrace Life to the Fullest

Interfaith Minister Joshua Dolecki, had a profound spiritual experience in 2002 which dissolved his fear of Love, allowing him to accept his Christ Consciousness. Josh is a Registered Nurse, specializing in many areas, and has been sharing his experiences with living ACIM at churches,

workshops, and facilitating retreats since 2010. He currently co-facilitates a group with lifelong friend Jamie McKibben, called "Living A Course in Miracles". He has written articles for Miracles Magazine and local newspapers on addiction, interfaith dialogue, and the laws of love. Presently he is a celebrant at Unity Church in Edinboro, Pa.

Rev Jamie McKibben, has been applying A Course in Miracles to everyday life for over a decade now. He began his spiritual awakening process through practicing the 12 steps of AA which provided him a platform for

understanding the profound depth of ACIM. Jamie has been a speaker at local retreats, workshops, churches, and D&A treatment centers where he testifies how practicing forgiveness, based on ACIM, has allowed him to "embrace the Eternal Self." Jamie co-facilitates Living "ACIM" group on Thursday's at the Glenwood YMCA in Erie, Pa with brother Josh Dolecki.

UNDERSTANDING EMBRACE:

- **Music:** All our musicians are students/ teachers of ACIM and use music as a means for embracing Life.
- **Healing sessions:** We share the healing expressions of music, dance, meditation, Divine relationship and our direct experiences of wholeness to help dissolve, that which we resist embracing.
- **Dr.Baba Jon Mundane:** Mystical Comedian Philosopher

UNDERSTANDING EMBRACE: CONTINUED

- **The Embrace:** The invisible yet palpable field of awareness that invariably sustains all things both human and Divine.
- **Embracing the Undoing:** A temporary process of sorting out the true from the false. This is when we feel much of what we value is not what we think it is, so we question our identity. By embracing the unknown and accepting help in unlearning old beliefs, habits, and programming, we awaken to a new and wonderful world. The real world is revealed to us in stages, either quickly or slowly. Embracing the presence and support of this retreat will save us much unnecessary suffering through undoing.
